

The Century Project – Announcement

After years of feasibility, we are officially announcing the Century Project – The multi-year renovation of the Space Needle. **Please take time to read through the detailed email sent to all Team Members explaining the departments that will be affected, how to get more information and next steps.**

- **Construction will Start on or about September 5th**
- **The Space Needle will remain open during construction**
 - 70% of the Observation Deck will remain open
 - SkyCafe will operate out of a temporary space
 - SpaceBase, Valet, Elevators, Security, Facilities, Admissions, Photo and Guest Experience Specialists will continue to support the operation
- **SkyCity and SkyLine will be closed during construction**
 - The kitchen, mezzanine and restaurant dining area will be gutted and completely renovated
 - SkyLine banquet and private event business will be suspended due to a lack of kitchen facilities during renovation
- **Impact to Team Members**
 - We will begin bargaining the effects of layoffs with Local 8 leadership immediately
 - Our goal is to keep as many Team Members employed as possible

Please come to a meeting for active Team Members Tuesday June 13th 3:00pm Skyline
